STAT

Dear Jon:

I want to take this opportunity to thank you for the fine job you have done this summer in your assignment with FBIS. As a result of your efforts, Analysis Group will be able to make use of files that otherwise would have languished due to the unavailability of regular staffers to handle them. You have also greatly helped the Group by performing a variety of other tasks for which we are traditionally short-staffed during the summer months.

You have made a valuable contribution to the Analysis Group. I wish you the best of luck in the coming year and hope that you will be able to return to FBIS over the holidays and again next summer.

Sincerely,

STAT

Deputy Director
